# ENVIRONMENTAL COMMITMENTS

## DEVELOP

a responsible and respectful attitude towards the environment on all areas related to our activities

## INTEGRATE

environmental risks assessment as far upstream as possible in our projects

## PREVENT

pollution risks and control the use and the consumption of natural resources

## ENCOURAGE

good practices and establish a common culture to increase employees' involvement and improve environmental-friendly behaviours

## SUPPORT

local communities' initiatives with the primary objective of improving living conditions and comfort for the local population

*“ In each of the areas where Sogea-Satom operates,  
I undertake to provide the means necessary to implement these five commitments.  
I count on your involvement in this process. ”*
