

Preserve **HEALTH** and ensure **SAFETY** of the people working on our sites, including while they commute

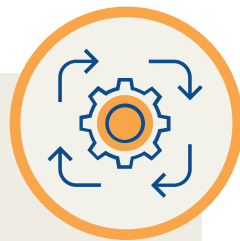

# HEALTH & SAFETY COMMITMENTS

## ENSURE

that each site meets the **key steps of projects**:

- + Safety In Design (SID)
- + Execution procedures
- + PRETASK
- + PRESTART
- + STOP

## PLAN

« **Managing With Safety** » training for all managers until 2021, including construction site managers

## PROVIDE

site installation plans in accordance with the Human Rights Guide

## ORGANISE

task forces to reflect on and make proposals about **root causes of accidents** involving work with a high potential of serious injury

## APPLY

the HSE and the quarry reference systems and the security guide for works under continuous traffic

## ESTABLISH

a contract for **all employees** with infectious diseases, in particular HIV, so they have access to health care in each territory

“ In each of the areas where Sogea-Satom operates, I undertake to provide the means necessary to implement these six commitments. I count on your involvement in this process. ”

**Jean-Michel Guélaud, President.**
