SECURITY COMMITMENTS

PREVENT

security risks through:
+ risks analysis
+ specific security rules
+ chains of alert and communication

INFORM

of existing risks and appropriate behaviours to deal with it

INCREASE AWARENESS

on the diversity of security stakes on the international stage through trainings and information booklets

IMPLEMENT

security measures, security plans and crisis management, adapted to local contexts

SUPPORT

security management on a daily basis and develop the security coordinators network according to the needs

REACT

as soon as weak signals are detected or in case of crisis over our territories

“ In each of the areas where Sogea-Satom operates,
I undertake to provide the means necessary to implement these six commitments.
I count on your involvement in this process. ”

Jean-Michel Guélaud, President.
